JUDICIARY-PATENTS
JAD

March 30, 1979

Dr. Ralph Davis
Patent Manager
Purdue Research Foundation
West Lafayette, Indiana 47907

Dear Dr. Davis:

Bill Gibb of Senator Schmitt's staff has given me a copy of a draft bill which Sen. Schmitt plans to introduce in the next week or two setting out a new Government patent policy for all contractors conducting Federally-supported research and development.

I have enclosed a copy of the draft for your information and would like to receive any comments that you have on the Schmitt bill.

Sincerely,

Joe Allen

Enclosure
