Geoffrey G. Dellenbaugh

Geoffrey Dellenbaugh is a practicing patent attorney and licensing executive with over thirty years' experience. From 1974 to 1988 he was a member of the Johnson & Johnson Law Department in positions of increasing responsibility, culminating in supervisory responsibility for the patent and licensing matters of J&J's pharmaceutical businesses. From 1998 to 1991 he was Intellectual Property Counsel at Warner Lambert Company, where he was responsible for all patent and trademark matters. From 1991 to 2003, he was Executive Director, External Relations, at Johnson & Johnson Pharmaceutical Research & Development where he was responsible for Johnson & Johnson's pharmaceutical patents and early-stage licensing. He is currently an intellectual property and licensing consultant.

Dr. Dellenbaugh received an AB in chemistry from Princeton University, an MA in teaching from Stanford University, a PhD in chemistry from the University of Pittsburgh, and a JD from the University of Chicago. He is a member of the New Jersey Bar and is admitted to practice before the USPTO and the Court of Appeals for the Federal Circuit.
