Our File L-37324

Dear Jim:

Pursuant to our telephone discussion last week, I am enclosing our client's figures of unit and dollar sales for each of its fiscal years, for the four games accused of infringement. You will note that some of the figures come up negative and this is because of returns being greater than actual sales.

Hopefully these figures as they stand are in satisfactory form but if you wish we can place them in the form of an answer to your interrogatory. I have not done so at this time, however, so that I might get the numbers to you as quickly as possible.

Very truly yours,

FLEHR, HOHBACH, TEST,
