Re: Magnavox v. Activision

Dear Algy:

We have received an Order reassigning the Activision case from Judge Vukasian to Judge Charles A. Legge. Judge Legge is a new district court judge in the Northern District of California. The reassignment is apparently part of the effort to create a docket for him. Tom Rosch, our local associate, informs us that Judge Legge is an excellent and experienced civil litigator.

One might normally expect that reassignment of the case would result in the previously set pre-trial and trial dates being vacated. However, we have also received a notice that the pre-trial conference is to remain set for December 13 at 9:30 A.M. Copies of that Notice and the order of reassignment is enclosed.

We have also received a letter from Marla Miller for Activision somewhat expanding on Activision's prior interrogatory answers setting forth its non-infringement contentions. A copy of that letter is enclosed for your information.

Very truly yours,

NEUMAN, WILLIAMS, ANDERSON & OLSON
