Control No. 60-405-8899(C)

Dear Ms. Mirman:

The Copyright Office Appeals Board received your letter dated February 4, 1997, in which you made a second request for reconsideration of the Office's refusal to register the work STYLE NO. 2236E. The work was submitted by your client, Ciner Manufacturing Co., Inc..

The Appeals Board reviewed the application, deposits, and related correspondence regarding this work, and determined that STYLE NO. 2236E can be registered. The work embodies sufficient original authorship, as required by title 17, United States Code, and related case law, to support a copyright registration.

The Office will finalize the administrative work needed to complete the registration and issue your client a registration certificate as soon as possible.

Sincerely,
