RE: PRESSED FLOWER FRAME COLLECTION
Control No. 61-207-2148 (W)

Dear Mr. Albert:

We are in the process of considering your request for reconsideration of the refusal to register your client's claim to copyright in the work entitled "Pressed Flower Frame Collection." In the interest of increased ability to appraise your claim, we would ask that you submit to us better photographs of the items included in your original deposit materials, so that the Copyright Office Board of Appeals may evaluate them when it convenes. A clear, unambiguous image of the works in question would be of great help to the Board in its determination as to the validity of your claims.

Thank you very much for your assistance in this matter.

Sincerely,

/s/
