RE: GTO's Permanent Damage
Control No.: 10-867-8527(C)
Your File No.: 51259

Dear Mr. Sloane:

The Copyright Office Review Board (formerly the Copyright Office Board of Appeals) has reviewed your second appeal on behalf of the Zappa Family Trust in connection with album cover artwork on the GTO's *Permanent Damage* record album. The Board cannot conclude that the copyright notice on the album cover does not extend to the artwork. As a result, the Board has determined that a certificate of registration should issue.

The file concerning this application will be returned to the Examining Division for processing, and the certificate of registration shall be issued shortly.

Sincerely,

/s/

David O. Carson
General Counsel
