Dear Mr. Winter:

I am writing on behalf of the Copyright Office Review Board with regard to an application from your client, Aaron Shum Jewelry, Ltd., to register a work entitled Multiple Stone Setting. Examiner Kathryn Sukites notified you in a letter, dated September 24, 2005, that you had 120 days to clarify the nature of Applicant's claim in that work.

The Board has been informed by legal counsel that you were waiting to respond to Ms. Sukites' request until after receiving its decision for a related application from the same Applicant for a work entitled Tiered Multiple Stone Setting. Because of the delay in notifying you of its final decision on that related application, the Board is extending Ms. Sukites' deadline for Multiple Stone Setting to March 15, 2006.

If you have any questions regarding this matter, you may contact Renee Coe, an attorney for the Board, who is in the Office of the General Counsel. She may be reached at 202/707-8380.

Sincerely,

/s/
