Lorraine Schwartz, Inc.
SR No. 1-398640174

Dear Mr. Moskowitz,

After reviewing the administrative record, the applications and deposit material, the Review Board determined that the Against Evil Eye jewelry design collection has sufficient authorship to satisfy the originality requirements of copyright law because it has the minimum amount of creativity required. After the application is processed, a certificate of registration will be issued.

Sincerely,

/s/

David Carson,
