Disclaimer

PCF74a 1097

Every effort has been made to ensure that all of the programs on this disc work on as many PCs as possible. However, Future Publishing cannot be held responsible if any part of the CD-ROM does not work on any specific PC. Please return faulty Discs to: Disctronics, Southwater Business Park, Worthing Road, Southwater, West Sussex, RH13 7YT for replacement, enclosing details of the fault.

This disc has been checked for all known viruses, trojans and variants, and has been found to be completely clean of infection. All archived files and programs have also been tested and have been found to be clean. Future Publishing cannot be held responsible for any damage to equipment resulting from using this disc. Every effort has been made to ensure that the content of the *PC FORMAT* CD does not infringe any copyright. *PC FORMAT* recognises all copyrights on its CD-ROM's contents.

Quick Start

Install your very own copy of *The Complete National Geographic:*

Open up Explorer, or File Manager, select the CD-ROM drive, and double-click on setup.exe.

The software will now install. At the end of the installation process you will be asked for a registration number, but you can just ignore this bit.

Finished? Run *The Complete National Geographic* by simply double-clicking on its icon.

● Please send comments to:
Tony Ellis, *PC FORMAT*, Future Publishing Ltd, 30 Monmouth Street, Bath, BA1 2BW.
