Chapter 17 of the North American Free Trade Agreement

Annex 1705.7

Annex 1705.7 Copyright

The United States shall provide protection to motion pictures produced in another Party's territory that have been declared to be in the public domain pursuant to *17 U.S.C. section 405*. This obligation shall apply to the extent that it is consistent with the Constitution of the United States, and is subject to budgetary considerations.
