HOUSE

BILL H.R. 4994 | DATE June 15, 1964 | PAGE(S) 13287

ACTION: Remarks by Mr. Gross.

THE FATE OF H.R. 4994

(Mr. GROSS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GROSS. Mr. Speaker, I inquired a few moments ago about the fate of H.R. 4994, the bill to provide for the labeling of imported woven labels.

Since that time it has been reported to me that the State Department did not want that bill called up today. I have no verification as of this moment that the State Department intervened to stop consideration of this bill.

I hope that is not true. I hope it is not true that the State Department is running the legislative schedule of the House of Representatives.
