MAKING TECHNICAL CORRECTIONS IN ENROLLMENT OF H.R. 6163, COURT ORGANIZATION ACT OF 1984

Mr. KASTENMEIER. Mr. Speaker, I ask unanimous consent to take from the Speaker's table the Senate concurrent resolution (S. Con. Res. 154) to correct the enrollment of the bill (H.R. 6163), and ask for its immediate consideration in the House.

The Clerk read the title of the Senate concurrent resolution.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Wisconsin?

Mr. KINDNESS. Mr. Speaker, reserving the right to object, I shall not object. I think this action is very necessary and it is technical in nature.

I would yield to the gentleman from Wisconsin in order that he may explain the parliamentary situation faced by the House.

Mr. KASTENMEIER. I would state to the gentleman that the technical amendment from the other body corrects a drafting error in title V of H.R. 6163 in section 5041(b). A reference to clauses 1 through 3 should have been 1 through 4. It is a technical error only, a clerical error, and does not have substantive effect.

Mr. KINDNESS. Mr. Speaker, I thank the gentleman for his explanation and we would certainly want to express our appreciation to the Senator from Kansas for his expeditious handling of this problem.

Mr. Speaker, I withdrawn my reservation of objection.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Wisconsin?

There was no objection.

The Clerk read the Senate concurrent resolution, as follows:

S. CON. RES. 154

Resolved by the Senate (the House of Representatives concurring), That, in the enrollment of the bill (H.R. 6163) to amend title 28, United States Code, with respect to the places where court shall be held in certain judicial districts, and for other purposes, the Clerk of the House of Representatives shall make the following correction:

In section 501(4) strike out "(iii)" the first place it appears and insert in lieu thereof "(iv)".

The Senate concurrent resolution was concurred in.

A motion to reconsider was laid on the table.
