Such notices or process may be served upon the person so designated by leaving with him or mailing to him a copy thereof at the address specified in the last designation so filed. If the person so designated cannot be found at the address given in the last designation,

such notice or process may be served upon the Commissioner."

SEC. 2. The last sentence of subsection (a) of section 7 of such Act is amended to read as follows: "The registration shall reproduce the mark, and state that the mark is registered on the principal register under this Act, the date of the first use of the mark, the date of the first use of the mark in commerce, the particular goods or services for which it is registered, the number and date of the registration, the term thereof, the date on which the application for registration was received in the Patent Office, any conditions and limitations that may be imposed in the registration and, in the case of a registration based upon an application filed under section 1 (a) (2) of this Act, the date of first publication of the mark by the Patent Office."

SEC. 3. (a) The first sentence of section 10 of such Act is amended by changing the period at the end thereto to a colon and adding the following proviso: "*Provided,* That no rights arising out of an application to register filed under section 1 (a) (2) of this Act shall be assignable unless prior to the date of any such assignment the applicant originally

filing the application has filed the verified statement of use prescribed in section 1 (a) (2) of this Act.".

(b) The second paragraph of section 10 of such Act is amended by striking out "1 (d)" and inserting in lieu thereof "1 (e)".

SEC. 4. Subsection (a) of section 12 of such Act is amended to read as follows:

"(a) (1) Upon the filing of an application for registration under section 1 (a) (1) of this Act and payment of the fee herein provided, the Commissioner shall refer the application to the examiner in charge of the registration of marks, who shall cause an examination to be made and, if on such examination it shall appear that the applicant is entitled to registration, the Commissioner shall cause the mark to be published for opposition in the Official Gazette of the Patent Office: *Provided,* That in the case of an applicant claiming concurrent use, or in the case of an application to be placed in an interference as provided for in section 16 of this Act, the mark, if otherwise registrable, may be published subject to the determination of the rights of the parties to such proceedings.

"(2) Upon the filing of an application for registration under section 1 (a) (2) of this Act and payment of the fee herein provided, the Commissioner shall promptly cause to be published, in the Official Gazette of the Patent Office, the

mark, a statement of the goods as specified in the application, the name and address of the applicant, and the filing date of the application. The Commissioner also shall refer the application to the examiner in charge of the registration of marks, who shall cause an examination to be made and, if on such examination it shall appear that the applicant would be entitled to registration upon the filing of the verified statement of use prescribed in section 1 (a) (2) of this Act, the Commissioner shall cause the mark to be published for opposition in the Official Gazette of the Patent Office. The Commissioner shall include in the publication for opposition the date of initial publication hereunder, and in the event such verified statement of use has been duly filed, the Commissioner shall also include a statement of the goods for which the mark is in use, the date of applicant's first use of the mark and the date of applicant's first use of the mark in commerce."

SEC. 5. The first two sentences of section 13 of such Act are amended to read as follows: "Any person who believes that he would be damaged by the registration of a mark upon the principal register may, upon payment of the required fee, file a verified opposition in the Patent Office, stating the grounds therefor, within thirty days after the publication for opposition under subsection (a) of section 12 of this Act of the mark sought to be registered: *Provided,* That in the case

of an application filed under section 1(a) (2) of this Act in which the prescribed verified statement of use has not been filed, the Commissioner shall give the applicant ninety days within which to file such verified statement of use, and the failure to file such verified statement of use within such ninety-day period shall be deemed to be an abandonment of the application. For good cause shown, the times for filing opposition and such verified statement of use may be extended by the Commissioner, who shall notify the parties."

SEC. 6. Section 26 of such Act is amended by inserting "1(a) (2)," after the word "sections"; and inserting "(1), 12(a) (2)," after "12(a)".

"(1) prior to the initial publication of the mark under section 12 (a) (2) of this Act has commenced use of, and has not abandoned, a mark or trade name which so resembles the mark of said applicant or registrant as to be likely, when applied to the goods of said other person, to cause confusion, to cause mistake, or to deceive, or

"(2) previously has filed an application under section 1 (a) (2) of this Act, for registration of a mark which so resembles the mark of the said applicant or said registrant as to be likely, when applied to the goods recited by the prior applicant, to cause confusion, to cause mistake, or to deceive: *Provided*, That the first filed application is followed by the verified statement of use prescribed in section 1 (a) (2) of this Act, or

"(3) has acquired a right of priority pursuant to section 44 (d) based on a foreign application filed prior to the filing of said application under section 1 (a) (2) of this Act.

"(d) In the case of a mark published under section 12 (a) (2) of this Act against which no opposition has been filed or interference declared, the Commissioner shall reg-

ister the mark and issue a certificate of registration provided that the verified statement of use prescribed in section 1 (a) (2) of this Act has been filed; and the failure to file such verified statement of use prior to the expiration of six months from the date of publication for opposition shall be deemed to be an abandonment of the application.
